FOREWORD

It is with great pleasure that we present this comprehensive listening module, designed to aid English teachers in preparing their students for the 1119/4 SPM examination. This module would not have been possible without the invaluable contributions of various authors whose books and modules have been referenced.

We extend our heartfelt gratitude to these authors for their expertise, dedication, and commitment to English language education. Their works have provided a solid foundation upon which this module is built. By incorporating their insights and materials, we aim to facilitate an enhanced learning experience for students, equipping them with the necessary skills and knowledge to excel in the examination.

We would also like to express our deep appreciation to our SISC+ Officer in PPD Semporna, Madam Saidatul Izdiyar binti Amir Bangsa, for her unwavering support and valuable feedback throughout the creation of this module. Her guidance and input have been instrumental in ensuring the quality and effectiveness of the module.

To the English teachers who will utilize this module, we trust that it will prove to be an indispensable resource in your classroom. May it simplify your preparation for the 1119/4 SPM examination and enhance your students' learning experience. To the students who will benefit from this module, we commend your dedication and determination to excel. It is your enthusiasm for learning that inspires us to create resources tailored to your needs. As you engage with the audio materials and respond to the questions within this module, may you find joy in the learning process and gain the skills necessary to succeed in the 1119/4 SPM examination.

Wishing you all success in your teaching and learning journey.

Sincerely,

The English Panel

SMK Datuk Panglima Abdullah
