Use **NO MORE THAN ONE WORD** for each space.

**You will hear the conversation twice. Answer all the questions.**

### Managing Your Time Wisely

In the kitchen, Emma's mother noticed her 15-year-old daughter was busy working on her laptop. She asked about Emma's busy schedule and Emma said that she feels as though she has no (21) \_\_\_\_\_ do everything that she wants to. Emma's mother told her that time management can help her to (22) all her activities better.

Apart from school, spending time with her friends and her dance practice, Emma is also interested in volunteering at the animal shelter. She wants to do it because it is the (23) \_\_\_\_\_ place for her to play with furry animals due to her dad's allergies. They decided that weekends and school holidays would be suitable for her volunteer work.

To manage her time effectively, they created a schedule with specific time blocks for each (24) . Emma also needs to be flexible and be prepared to adjust her schedule as her plans might not always go as expected. Her mother also highlighted time-wasters such as spending too much time on social(25) and playing video games.

Emma and her mother also talked about setting goals. She wants to improve her (26) and join the school dance team. Her mother advised her to work on smaller tasks to achieve her goals. Emma should dedicate regular study sessions for each (27) \_\_\_\_\_ and practise her dance routines consistently.

Learning to say no was also a valuable lesson discussed. Sometimes Emma might have to decline some invitations from her (28) \_\_\_\_\_. She did not want to disappoint them but her mother reassured her that true friends would understand her need to balance her life.

Emma also needs to (29) \_\_\_\_\_ herself by taking time out to relax or take a break to unwind. Managing time efficiently needs a lot of practice and patience but her mother is certain that Emma will be able to do it because (30). \_\_\_\_\_ is all about learning and growing.
