

Relaxing

Talk about an activity that helps you to relax

You should say:

- what you do to relax
- where you go to relax
- if it is more relaxing for you to be alone or with friends (Why?)
- whether it is important for students to relax (Why/Why not?)

Shopping at night market

Talk about your experience at a night market

You should tell:

- where is the popular night market in your town
- when was the last time you went to a night market
- do you like hanging out at a night market (Why?)
- whether teenagers should be encouraged to take up a part-time job at a night market (Why/Why not?)
