### Your favourite celebrity

Talk about your favourite celebrity

You should say:

- who your favourite celebrity is
- what the celebrity is famous for
- why you admire that particular celebrity
- whether you like being a famous celebrity in the future  
(why/why not?)

My favourite celebrity is Dato Lee Chong Wei

He is famous for being the no 1 Badminton player in Malaysia.

He knows how to play badminton very well.

I think I don't like to be a famous celebrity in the future because I don't many people to follow me.

Your favourite film

Talk about your favourite film.

You should say:

- what your favourite film is
- which character do you like the most
- how does this character influence you
- whether teenagers can watch this film (why/why not?)

My favourite film is The Avengers: Endgame.

I like Steve Rogers or Captain America the most.

This character helps those who needed help.

Teenagers can watch this film because it is cool and fun.

Your admirable leader

Talk about your admirable leader.

You should say:

- who your admirable leader is
- reasons for your choice
- what inspires you to have him/her as your admirable leader
- how does this leader influence you

The admirable leader I like the most is the King of Malaysia.

One of the reasons I like him is because he is caring and respectful. He also likes to help other people.

He is a good leader because he encourages others to help people as well.

## A terrible accident

Talk about a terrible accident.

You should say:

- what the terrible accident was
- where did the accident happen
- what did you do when you witnessed the accident
- whether we should help the victims of accidents?  
(why/why not?)

## A terrible accident

Once I saw a terrible accident between a car and a motorcycle.

It happened in front of my house.

I called the ambulance after I saw the accident.

I think we should help the victim because they might need our help.

## Your family day

Talk about your family day.

You should say:

- when the family day was
- where was the family day organised
- what activities you took part on your family day
- whether having a family day is important (why/why not?)

## My family day

I went to my family day last weekend.

It was held at the Hutan Bandar.

I joined the flying fox activity during family day.

I think it is important to have a family day because it could make the family members love each other more.

## A holiday destination

Talk about a holiday destination.

You should say:

- the name of the holiday destination that you have visited
- when did you go there
- what activities did you do there
- whether you like visiting the place again. (Yes/No? Give reasons)

My holiday destination

Once, I visited Langkawi for holiday.

I visited Langkawi last school holiday.

I did some scuba-diving in Langkawi.

I think I would like to visit Langkawi again because it is such a nice place.

## Your dream house

Talk about your dream house.

You should say:

- what your dream house is
- where would you like having your dream house
- the special qualities of your dream house
- what you will have to do to fulfil your dream

## My dream house

I like to have a single-story house.

It would be nice if my dream house is located near a beach.

For my dream house, I would like to have 3 bedrooms, two toilets, a kitchen, and a living room. My dream house should be painted light blue.

I have to work hard and save a lot of money to have my dream house.

## A unique festival

Talk about a unique festival.

You should say:

- the name of the festival
- who celebrate this festival
- what is unique about this festival
- whether all the festivals can be celebrated by everyone  
(why/why not)

## A unique festival

I have always enjoyed National Day.

Everyone in Malaysia celebrates National Day.

On this day, we remember the first time Malaysia was formed.

I think all festivals can be celebrated by everyone because everyone would be on holiday during the festivals.

## Your favourite gadget

Talk about your favourite gadget.

You should say:

- the name of the gadget
- what special qualities does this gadget have
- why this gadget is your favourite one
- how does this gadget ease your life

## My favourite gadget

My favourite gadget is my smartphone.

I can take a lot of beautiful picture with my smartphone. I can also share those pictures with my friends and family.

The smartphone is my favourite gadget because it is so cool and trendy.

This gadget has made my life easier because I can connect with my friends and family at any time and at anywhere.

## A camping experience

Talk about a camping experience.

You should say:

- the name of the camp
- when and who organised the camp
- the activities which you took part during the camp
- why your camping experience is so special

## My camping experience

Once, I joined a camping trip to Mountain Kinabalu.

My school organised the camping trip during our last school holiday.

One of the activities I took part during the camp was building a bonfire. I also enjoyed hiking during the trip.

My camping experience was so special because it was the first time I woke up to a very cold morning.

## Local fruits

Talk about local fruits.

You should say:

- what local fruits are
- where can you get local fruits
- why should people buy local fruits
- how can you promote local fruits

## Local fruits

Local fruits are fruits you can grow in Malaysia.

You can get local fruits in the supermarket and fruits stall.

People should buy local fruits like banana because it is cheap and healthy.

I want to promote local fruits by making a short video about the benefits of eating local fruits.

## A shopping centre

Talk about a shopping centre.

You should say:

- the name of the shopping centre
- where the shopping centre is located
- the things you bought and why
- whether a shopping centre is better than an open air-market

## A shopping centre

I like to go to Aeon shopping centre.

The shopping centre is very near to my house.

I could buy many things there like notebooks, clothes, and food. I need these things to go to school.

I think a shopping centre is better than an open air-market because it has air conditioner that would keep the centre cold and comfortable.

## A famous restaurant

Talk about a famous restaurant.

You should say:

- the name of the restaurant
- where the restaurant is located
- the food you love the most at the restaurant and why
- whether eating restaurant food is good for health (why/why not)

## A famous restaurant

I like to go to a famous restaurant called, Secret Recipe.

The restaurant is located inside the Aeon shopping centre.

I like to eat the spaghetti there because it tastes so good.

I think eating restaurant food is good for health because the food is prepared professionally.
